Dear Mr Bowen,

Request for further information to support your application.

**Application reference: EA/EPR/DP3734DC/V002
Operator: Red Industries Ltd
Facility: Walleys Quarry Landfill Site**

Please accept this letter as notice of our agreement with Mr David Wolstencroft to extend your Schedule 5 response deadline until 31st October 2019, this is in order that you be given additional time to provide the revised Noise Impact Assessment and Noise Management Plan.

If we do not receive it by this date then we may treat your application as being withdrawn. If this happens you may lose you application fee.

If you have any concerns about being able to provide this information on time please let me know.

Yours sincerely
