**Sent:** 25 October 2020 20:34  
**To:** ETC <[ETC@planninginspectorate.gov.uk](mailto:ETC@planninginspectorate.gov.uk)>  
**Subject:** Application. EPR/HP3228XT/V004 FAO Kevin Gordon

Dear Sir,

Re the above application. Sufficient controversy surrounds the Nuclear Industry without permission being sought to vary the established protections for wildlife. Fish know very few boundaries. Without sonic deterrence, fish stocks will be depleted unnecessarily. The River Severn is massively tidal and salmon stocks require protection.

The economic justification cannot really be allowed to supercede such wildlife protection that exists. I urge rejection of the application.

Sincerely

G. Stockham
