Subject: Environment Agency appeal

Dear Sir/Madam,

Please accept our apologies for the lateness of this letter. Unfortunately, our council meeting took place after the deadline for sending in our representation.

Ilston Community Council would like to fully support the Environment Agency in their refusal to allow NNB Generation Company to alter their permit to remove the measure for an acoustic fish deterrent.

As we understand it removing this measure would allow more fish to be drawn into the water cooling system and has a negative impact on species under the Habitats Regulations.

Thank you for your attention.

Kind regards,

Charlotte Toft

Mrs Charlotte Toft
Clerk and RFO
Ilston Community Council
