Apologies for missing yesterday's deadline, but **I have nothing further to add to my previous objection, ... other than dismay at public time and money being wasted on this organisation trying to cut corners and greedily make more money for an overseas corporation at the expense of our West Country Environment, specifically the ecological importance of our fish stocks.**

**What was agreed originally should stand, (i.e. when permission to develop was granted and it was agreed that this protection to fish should be implemented).**

Kind regards  
Shannon Brooke  
Mendip Councillor for Beckington, Berkley and Selwood
