1 Introduction

- 1.1 This Management System covers the quarry restoration carried out by Castle Hill Quarry Co Ltd at Castle Hill Quarry.
- 1.2 The Castle Hill Quarry Co Ltd acknowledges the responsibility of managing the environmental impacts of its activities, products and services and is committed to meeting all legislative requirements and standards which relate to environmental aspects.
- 1.3 The Castle Hill Quarry Co Ltd seeks to continually improve its environmental performance and engage its staff, customers, public and other stakeholders, such as regulatory bodies or local councils, to this end.
- 1.4 Castle Hill Quarry is a hard rock quarry. Planning Permission requires restoration to original ground levels in the Eastern and Old Golf Course Extensions. This will be achieved using imported inert materials subject to an Environmental Permit for a Recovery Operation.
- 1.5 This Management System is a working document and will be subject to regular management review and updates.
