# Application for an environmental permit Part B2 - General - new bespoke permit

Fill in this part of the form together with parts A and F1 if you are applying for a new bespoke permit. You also need to fill in part B3, B4, B5, B6, or B7 (this depends on what activities you are applying for). Please check that this is the latest version of the form available from our website.

Please read through this form and the guidance notes that came with it.

The form can be:

1 Saved onto a computer and then filled in. Please note that the form follows a logic that means questions will open or stay closed depending on a previous answer. So you may not be able to enter text in some boxes.

2 Printed off and filled in by hand. Please write clearly in the answer spaces.

It will take less than two hours to fill in this part of the application form.

#### Contents

- 1 About the permit
- 2 About the site
- 3 Your ability as an operator
- 4 Consultation
- 5 Supporting information
- 6 Environmental risk assessment
- 7 How to contact us

## 2 About the site, continued Use several copies of this page or separate sheets if you have a long list of regulated facilities. Send them to us with your application form. Tell us below the reference you have given these extra sheets. Document reference for the extra sheets Now go to question 2d 2d Low impact installations (installations only) Are any of the regulated facilities low impact installations? No $\square$ Yes 🗌 If yes, tell us how you meet the conditions for a low impact installation. (See the guidance notes on part B2 – Appendix 1.) Document reference Tick the box to confirm you have filled in the low impact installation checklist in appendix 1 for each regulated facility. П 2e Treating batteries Are you planning to treat batteries? (See the guidance notes on part B2.) Yes 🔲 Tell us how you will do this, send us a copy of your explanation and tell us below the reference you have given this explanation. Document reference for the explanation Ship recycling 2f Is your activity covered by the Ship Recycling Regulations 2015? (See the guidance notes on part B2.) No $\square$ Yes 🗌 Tell us how you will do this. Please send us a copy of your explanation and your facility recycling plan, and tell us below the reference numbers you have given these documents Document reference for the explanation Document reference for the facility recycling plan 2g Multi-operator installation If the site is a multi-operator site (that is there is more than one operator of the installation) then fill in the table below the application reference for each of the other permits. Table 1 – Other permit application references Your ability as an operator If you are only applying for a standalone water discharge or for a groundwater activity, you only have to fill in question 3d. Relevant offences (applies to all except standalone surface water discharges and groundwater discharges – see the guidance notes on part B2) Have you, or any other relevant person, been convicted of any relevant offence? No Now go to question 3b Yes Please give details below Name of the relevant person Title (Mr, Mrs, Miss and so on) First name Last name Date of birth (DD/MM/YYYY) Position at the time of the offence

EPB2 Version 12, April 2018 page 3 of 8

We will have a certified Competence Management System within 12 months and have enclosed evidence of the contract with an accredited certification body CIWM/WAMITAB scheme Please select **one** of the following: I have enclosed a copy of: the relevant qualification certificate/s or evidence of deemed competence or **Environment Agency assessment** or evidence of nominated manager status under the transitional provisions for previously exempt activities and, if deemed competent or Agency-assessed or nominated manager, or if the original qualification is over two years old: I have enclosed a copy of the relevant current continuing competence certificate/s I will complete my qualification within four weeks of starting the permitted activities and have enclosed evidence of my registration with WAMITAB or my EPOC booking as appropriate For medium- and high-risk tier activities other than landfill I will complete the qualification within 12 months and have enclosed evidence of registration with WAMITAB and, where relevant, EPOC booking. I understand I must complete either four specified units of the relevant qualification or an EPOC within four weeks of the permitted activities commencing For each technically competent manager please give the following information. If necessary, use a separate sheet to give us these details and tell us below the document reference you have given the extra sheet: Title (Mr, Mrs, Miss and so on) First name Last name Date of birth (DD/MM/YYYY) Phone

6 **Environmental risk assessment** Provide an assessment of the risks each of your proposed regulated facilities poses to the environment. The risk assessment must follow the methodology set out in 'Risk assessments for your environmental permit' at https://www.gov.uk/guidance/riskassessments-for-your-environmental-permit or an equivalent method. Document reference for the assessment How to contact us If you need help filling in this form, please contact the person who sent it to you or contact us as shown below. General enquiries: 03708 506 506 (Monday to Friday, 8am to 6pm) Textphone: 03702 422 549 (Monday to Friday, 8am to 6pm) Email: enquiries@environment-agency.gov.uk Website: www.gov.uk/government/organisations/environment-agency If you are happy with our service, please tell us. It helps us to identify good practice and encourages our staff. If you're not happy with our service, please tell us how we can improve it. Please tell us if you need information in a different language or format (for example, in large print) so we can keep in touch with you more easily. **Feedback** (You don't have to answer this part of the form, but it will help us improve our forms if you do.) We want to make our forms easy to fill in and our guidance notes easy to understand. Please use the space below to give us any comments you may have about this form or the guidance notes that came with it. How long did it take you to fill in this form? We will use your feedback to improve our forms and guidance notes, and to tell the Government how regulations could be made simpler. Would you like a reply to your feedback?
