

## About this consultation

### TQ12 3GP, Roseland Heathfield Ltd: environmental permit consultation

**The aim of this consultation is to ask whether you have any comments relevant to the permit application**

We want to make the best decision when permitting. Listening to the views of others helps us to take account of concerns, or local environmental factors, that we may not be otherwise aware of.

We are seeking comments on the application for Roseland Heathfield Ltd. Please use the reference number below when making comments on this application.

- Permit Number: EPR/CB3909CW/V003
- Regulated facility type: Roseland Heathfield Ltd is seeking to vary their existing permit for the site known as Pioneer Yard to include a Section 5.4 (b)(ii) - non-hazardous waste installation - pre-treatment for incineration and co-incineration activity and a physical treatment of non-hazardous waste activity for the purposes of operating a Materials Recycling Facility.
- Regulated facility location: Pioneer Yard, John Acres Lane, Fosterville, TQ12 3GP

#### Non-Technical Summary

Refer to the non-technical summary which explains this application, in non-technical language. This should include a summary of the regulated facility, the key technical standards and control measures arising from the risk assessment.

#### What the response will be used for

We will take your consultation responses into consideration as part of our determination of the permit. If we decide to grant the permit we will explain how we made our decision and how we have addressed the concerns that were raised.

We will only issue a permit if we believe that harm to the environment, people and wildlife will be minimised and that the operator has the ability to meet the conditions of the permit. Providing a business can prove that the proposed activities meets all the legal requirements, including environmental, technological and health requirements, then we are legally obliged to issue a permit, even if some people do not approve of the decision.

#### How to Respond

If you would like to comment online, please use the online consultation tool in Citizen Space.

If you'd prefer to submit your response by email, contact [PSCpublicresponse@environment-agency.gov.uk](mailto:PSCpublicresponse@environment-agency.gov.uk)

#### How we will use your information

We will look to make comments received publicly available at our Environment Agency public register.

All comments which are made publicly available will exclude email addresses and telephone numbers. Any comments where confidentiality has been claimed will not appear on the public register.
