Re: Environmental Permit Application (EPR/SP3427SW/P001)

Please find enclosed an application by Sibelco UK Ltd for a bespoke environmental permit for the deposit of inert mining waste and recovery of imported inert waste soils for the purposes of fulfilling restoration associated with Planning Permission DCC/4344/2023.

The deposit of imported waste soils as part of the restoration was agreed in accordance with a Waste Recovery Plan (Ref: EPR/SP3427SW/P001, 20 August 2024).

A number of documents have been prepared to support the application including the principal documents identified in the table below.
