Re: Environmental Permit Variation (EPR/HB3705XG)

Please enclosed an application by Harleyford Aggregates Limited (registration number 00819220) for a significant variation to existing Environmental Permit Reference EPR/HB3705XG to increase the limits on the deposit of waste for recovery.

The additional waste is to be placed in accordance with the approved Planning Permission (Devon County Council Reference: DCC/4339/2023) and agreed Waste Recovery Plan (Environment Agency Pre-Application Advice Letter dated 22 April 2024, Ref: EPR/HB3705XG/P002).

A number of documents have been prepared to support the application forms including the principal documents identified in the table below. Payment for this application has been made by BACS by BT Jenkins Limited on 22 October 2025, payment reference PSCAPPBTJEN001.

Should you have any queries of require any further information please do not hesitate to contact us.

Yours Sincerely
