Attachments: Duranta_Permit_Variation_Updated_September_2021.zip

Operator Name: Duranta Teesside Limited

To whom it may concern,

Please find attached a revised permit variation application for Duranta Teesside Limited, operating under Environmental Permit Number EPR/YP3236RW. Following submission I noticed a couple of amendments that were required to a couple of the documents. **This application effectively replaces that which is referred to in the reference below, and is covered by a new reference number: PSCAPPDURAN002.**

I would kindly ask that previous application be ignored, and this considered in its place.

Thank you,

Kind regards,
