Award: MROC1	Units for Verification:			
AT NERAC/Awarding Body docs:	QCF ✓	S of A (E & KU) ✓	PHOTOGRAPH ✓	
ASA ✓	P & P ✓	CV ✓	ORG CHART ✓	G&S ✓
ASS PLANS ✓	K&U QUEST ✓	OBS REPORTS ✓	SIG LIST ✓	

20% Sample for detailed examination: OCS02

Check remaining units for sufficiency and completeness: OCS01 and OCS05 scan sampled

AT NERAC Audit paperwork all present, correct and in portfolio construction checklist order.

The candidate has provided personal statements to accompany each item of evidence showing that he has a good level of knowledge with regard to the requirements for his site. He has also provided good answers to the complete set of underpinning knowledge questions, although these do not appear to have been used as evidence items within the units being assessed. The assessor has provided good cross referencing which has assisted navigation of the portfolio during IQA.

For the remaining three units I would suggest that the assessor encourages the candidate to make use of the UPK answers to vary the evidence types used in covering assessment criteria items.

In conclusion the evidence for the sampled unit OCS02 covers all of the assessment criteria, evidence for the remaining units OCS01 and OCS05 sufficient. VARCS met.

Actions Required: None.

Competence demonstrated for first three units (OCS01, OCS02 and OCS05) continue with remaining three units.
