To whom it may concern

I am pleased to confirm that Refuels Ltd have engaged with NQA to provide certification services to CMS for the following proposed scope of registration;

'Misfuelling Solutions Including Storage'.

An initial assessment of the CMS management system is scheduled to commence on these dates:

Stage One Assessment	24 th October 2025
Stage Two Assessment	19 th November 2025.

Following a subsequent technical review, a certificate of registration will then be issued.

This letter confirms the engagement and does not guarantee successful completion or certification.

During this time, should an existing or potential client require verification of status of certification please do not hesitate to contact me and I will be delighted to assist.

We would like to thank Refuels Ltd for choosing NQA as their Certification Partner, and if I can be of any further assistance then please do not hesitate to contact me.

Yours sincerely
