Good morning Beth,  
No problem.

I don't think the below would be sufficient – as Paul Morris isn't listed on Companies House, we would just need to see something from someone who is (such as David Taylor) which states that they authorise Paul Morris to make the declaration on behalf of the company.

Or, a revised form with a director/secretary's details in place of Paul Morris's.

Thanks, Joel

Hi Joel

Thank you for your prompt response.

I was instructed by Costain Limited to use Paul Morris as signatory. Please see this communication, which includes David Taylor, who is listed on Companies House as Group Commercial Director.

Paul Morris is a Director, currently interim I think. Since Sue Kershaw left, who was our signatory.

Will this communication suffice as evidence of delegated authority?

I'm glad you found the payment, I think it was made along with another one so I hoped it would be distinguishable.

Let me know anything further required for lodging the application.

Many thanks again.

Kind regards

Beth Lyon

Good morning Beth,

Thank you for your application. I can also confirm receipt of the fee on Monday.

Would you just be able to provide either:

- a Revised Part F1 declaration for Costain Ltd, made by a current officer of the company listed on [Companies House](#); or
- written authorisation from a listed officer for Paul Morris to make that declaration on behalf of the

company.

Once that's been addressed I'll complete the logging of the application and send you an email to let you know what happens next.

Let me know if you have any questions.

Thanks, Joel
