Proposed Variation Permit Air emission points

HPE-15
(was DC-15,
but now only non-
reactor dry vent
diversion –
intermittent only)

HPE-1
(was DC-1,
incinerator vent
stack -
continuous)

HPE-21
(new wet vents
scrubber vent –
intermittent only)

HPE-22
(new reactor dry
vents scrubber
vent – intermittent
only)

HPE-23
(new effluent
scrubber vent –
intermittent only)
