HFW/jrw/PSW/GA/ 019  
24<sup>th</sup> November 2015

Dear Sirs

**The Environmental Permitting Regulations 2007 & 2010  
An Application for an Environment Agency U1 Exemption Certificate**

**Pickup Skips Ltd  
A FISHING PONDS DEVELOPMENT  
Warmfield Lane - Kirkthorpe - WF1 5TL – SE 370 210**

Mr Gary Asprey has obtained a Wakefield MC Planning Consent (ref: 13/03500/FUL) to create fishing ponds in a derelict railway cutting at Kirkthorpe.

The Environment Agency has been a consultee in the process and has no objections.

The site has subsequently been acquired by Pickup Skips Ltd. Both parties have retained /are retaining:

- Ramsden Architects & Partners Ltd of Leeds as Planning Consultant
- Black Rock as an Environmental Consultant

The initial stage of the development will be to create a vehicular access road. Pickup Skips Ltd wishes to obtain a U1 Exemption Certificate to authorise the commencement of this task. A full Application for a Standard Rules Permit to create the fishing ponds will follow in due course.

Pickup Skips Ltd and Black Rock trust that the submission of this letter and the attached U1 Application Form are sufficient for the purposes of the EA Permitting Centre and its internal consultees.

Should any points be identified for further clarification or discussion, I would be grateful if you could contact me directly. It is often easier, in the first instance, to contact me via my mobile telephone (07831 509131).

Yours faithfully

**Hywel Wilcox**  
**Director**

**On Behalf of Pickup Skips Ltd**

## Registration complete

This confirmation email has been sent to all contacts responsible for this waste operation.

This is not a permit

### Your responsibilities

The business or organisation responsible for carrying out the exempt waste operations agrees to:

- comply with all limits on waste types and quantities
- comply with all conditions governing how waste must be stored, handled and treated
- carry out the operations without endangering human health or harming the environment

For the operations to remain exempt they must be carried out without:

- causing risk to water, air, soil, plants or animals
- causing a nuisance through noise and odours
- negatively affecting the countryside or places of special interest

In sensitive locations extra controls may be needed over and above those set out in the exemptions to make sure this happens.
