

## About this consultation

### WF9 2EA, Wetherby Skip Services Limited: environmental permit consultation

**The aim of this consultation is to ask whether you have any comments relevant to the permit application**

We want to make the best decision when permitting. Listening to the views of others helps us to take account of concerns, or local environmental factors, that we may not be otherwise aware of.

We are seeking comments on the application for Wetherby Skip Services Limited. Please use the reference number below when making comments on this application.

- Permit Number: EPR/JB3103XW/A001
- Regulated facility type: This is a new bespoke deposit for recovery application. Wetherby Skip Services Limited proposes to import up to 145,000 tonnes (97,000 m3) of inert waste to infill the quarry void at the site, and to provide an engineered platform for the future redevelopment of the site. The overall operation will comprise three phases over a four-year period.
- Regulated facility location: Quarry Works, Field Lane, Pontefract, WF9 2EA

#### Non-Technical Summary

Refer to the non-technical summary which explains this application, in non-technical language.

This should include a summary of the regulated facility, the key technical standards and control measures arising from the risk assessment.

#### What the response will be used for

We will take your consultation responses into consideration as part of our determination of the permit. If we decide to grant the permit we will explain how we made our decision and how we have addressed the concerns that were raised.

We will only issue a permit if we believe that harm to the environment, people and wildlife will be minimised and that the operator has the ability to meet the conditions of the permit. Providing a business can prove that the proposed activities meets all the legal requirements, including environmental, technological and health requirements, then we are legally obliged to issue a permit, even if some people do not approve of the decision.

#### How to Respond

If you would like to comment online, please use the online consultation tool in Citizen Space.

If you'd prefer to submit your response by email, contact [PSCpublicresponse@environment-agency.gov.uk](mailto:PSCpublicresponse@environment-agency.gov.uk)

#### How we will use your information

We will look to make comments received publicly available at our Environment Agency public register.
