Dear Mr ADAMS

RHI0000001044 Amendment Notification Acknowledgement Letter

We have received your notification of changes regarding installation "J B Adams (Farms) Ltd" as submitted to Ofgem on 4.2.21. We are pleased to inform you that your notification has been acknowledged and, based on the information and plans you submitted to us in support of your notification, there are additional requirements attached to your accreditation:

- You must inform Ofgem within 28 days of any change affecting the heat loss assessment submitted. In the event of any change having that effect, you must take such steps and within such period of time as we may require for the purpose of obtaining a reliable revised assessment.

- In relation to your obligation under the RHI Regulations to submit meter readings, other metering data, and supporting data and calculations required under the Regulations ('metering information') at such regular intervals as we may require, you must provide the output from any agreed heat loss calculations together with this metering information.

The date of accreditation for your installation remains unchanged as 22/08/2012. Your tariff lifetime is 20 years from the date of accreditation.

If you have any queries please contact us using the number or email address above, quoting your RHI number in all correspondence.

Yours sincerely
