Kate

Good morning

Please find attached the full list of questions to allow this application to be duly made (basic info sufficient)

They are mainly technical questions with one additional fee required for a dust management plan review if there are residences within 100 m of the installation boundary

The OMP is an example to assist you.

Please submit responses by **Wednesday August 21st**

This is to ensure application can be duly made and not returned

If any questions I am in today and tomorrow , then from August 19th

Best wishes

Simon Wigglesworth
