Hi Anna,

Thank you for your response. I'm not sure if you've had chance to catch up with the lady who made the payment yet so you can give me the reference number of the payment? I will then check for it this this end, but it may take me a little time so bear with me please. **EPR/WP3325SE/A001 CROOKED DALE**

The other information you have supplied looks sufficient thank you, except for the revised odour management plan. You've included the sensitive receptor as requested thank you, but you've not amended the document as per questions 7b and 7c in the e-mail dated 16/08/2023 (and seen in the e-mail below), could you just make those amendments too and re-send me the revised odour management plan. Then that should be everything that is required.

Many thanks  
Liz
