

# What might happen during the refurbishment?

Sections of the beach will be closed to enable work to take place, including groyne refurbishment.

We will work closely with the community to minimise disruption.

Measures will be put in place to reduce noise from vehicle movements and heavy machinery.

Promenade closures will be put in place with diversion routes available until the work is complete.

- 1 Shutter
- 2 Concrete
- 3 Mesh reinforcement
- 4 Original wall
- 5 Top of new wall
- 6 Formliner

Parking bays may temporarily be closed.
