

Walley's Quarry Online reporting form Cookies Policy

We use 'Microsoft Customer Voice' to create the online reporting form. When you use the Walleys Quarry online reporting form, we put small files known as 'cookies' onto your computer.

These cookies are used to:

- ensure the service works as expected
- to protect the service against malicious activity
- to ensure that you have a consistent experience when we make changes to the service

Find out more details about the cookies used in this form in the [Microsoft cookies documentation](#)

Find out [how to manage cookies on the Information Commissioners' website](#).
