Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

Agency Initiated Variation to vary and update the permit financial provision conditions and update the registered office address to reflect Companies House changes.

The schedules specify the changes made to the original permit.

We consider that in reaching our decision to vary the permit we have taken into account all relevant considerations and legal requirements. We are satisfied that the permit will ensure that a high level of protection is provided for the environment and human health and that the activities will not give rise to any significant pollution of the environment or harm to human health.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
