

# Keeping you informed

## Newlay Weir and Fish Pass

July 2023

***Our aim is to keep the community informed at regular intervals regarding the current situation at Newlay Weir and Fish Pass.***

***However, it is with regret that we are currently unable to do so.***

*This matter is subject to ongoing legal proceedings, and whilst we recognise and understand that this issue is important to you, we are unable to update you again until these proceedings have been resolved. Because of the legal proceedings we are also unable to move forward with any solutions or answer any questions you may have. It is very difficult to predict how long this may take, and we are unable to expedite the process. We understand this will be a disappointment to many of you, as you wish to see progress in some form. We also want to progress, but are prohibited from doing so at this time. Whilst we understand this is not a positive update, we do hope that this information provides some context to the current situation.*
